END OF THE WORLD?

CHRIST HAS RETURNED

We believe Christ has returned. Not "someday." Not "soon." Already. ***Christ Has Returned*** **recounts that on January 28th, 2011,** over the Temple Mount in Jerusalem, a light came down from the clouds and flashed like lightning, and that five witness videos recorded it—one of them, according to the book, from a government weather camera (Ch. 1, Ch. 3). Yeshua told you exactly how it would look: *"For as the lightning comes out of the east and shines as far as the west, so will be the coming of the Son of Man"* (Matthew 24:27, The Prime Bible). We invite you to examine the record and judge for yourself.

You are not living in ordinary time. The count, as the book sets it out, is in the Law. It runs forty Jubilees, two thousand years, from the Sabbath when Yeshua read the scroll at Nazareth. He rolled it up just before *"the day of vengeance of our God"* (Isaiah 61:2, The Prime Bible). That half was left waiting for its appointed time. Now, the book says, the waiting is over. "2026–2027 AD, Hebrew year 5787, is the Great Jubilee, the fortieth Jubilee, and we are living in it" (*Christ Has Returned*, Ch. 1). Look at the calendar. Then look at your life. We ask, are you ready?

Still asking for a sign? The book points to signs you have been living through. In March 2011 came the earthquake, the tsunami and Fukushima. Superstorm Sandy hit in 2012. The Blood Moon Tetrad ran through 2014 and 2015. In July 2019, *Christ Has Returned* says, the California earthquakes opened the Sixth Seal, and in March 2020 COVID-19 was declared a global pandemic (Ch. 24). For this very year, the timeline in the book reads: "2026: the Battle of Armageddon unfolds" (*Christ Has Returned*, Ch. 24). We invite you to weigh these warnings yourself.

> *"Christ did not return with smiles and sunshine."*
>
> — *Christ Has Returned*, Ch. 23

If you expected a gentle, smiling return, the book says you were sold a comfortable story. "Christ did not return with smiles and sunshine. He returned to judge, to chastise his own house first, and to reap the harvest of the earth" (*Christ Has Returned*, Ch. 23). The storms, the plagues and the shaking will not stop by themselves. The book is plain: these chastisements "will end once the world embraces Ra-El as Lord and King" (*Christ Has Returned*, Ch. 24). The question we put to you is whether you will embrace him before then.

No one can answer this for you. "This is not the time to sit on the fence. You are either for him, or against him; the choice is yours" (*Christ Has Returned*, Closing). You are not asked for blind faith: "Search the Scriptures, test what is written here, and judge for yourself" (*Christ Has Returned*, Preface). Then act. "Repent while there is still time" (*Christ Has Returned*, Closing). Yeshua's own warning still stands: *"Be alert, then, because you do not know the day or the hour"* (Matthew 25:13, The Prime Bible).

Don't take our word for it. Read *Christ Has Returned* for yourself, search the codes at torah-codes.net, and read the proclamation at rayel.net. "Do your research, and you will know."

THE BASIC FACTS OF HIS RETURN

Six things everyone should know, each one set out in full in Christ Has Returned

Having heard the call, we set out the basic facts here, and invite you to test them for yourself.

1 THE EVENT

As this issue's first page recounts, the book describes a light over the Temple Mount on January 28th, 2011, recorded in five witness videos—one of them, it says, from a government weather camera. *Ch. 1, 3*

2 FORETOLD BY THREE FAITHS

The book traces Jewish, Christian and Islamic prophecy that, it argues, all foretell the Spirit descending upon the Messiah at the time he is to become King (Isaiah 11:2; Acts 1:11; Sahih Muslim). *Ch. 3*

3 THE MAN

The book identifies him as Raymond Elwood Howard Lear, born in Illinois on the evening of June 9th, 1968, a Christian Orthodox Pentecost who commanded the Chicago chapter of the Guardian Angels. *Ch. 2, 6*

4 THE NEW NAME

The book calls him Ra-El, the Mouth of God, the Word of God: the name, it says, Revelation said the returning King would bear (Revelation 19:13). RayEl joins RAYmond ELwood. *Ch. 7*

5 THE TORAH CODES

According to the book, over a thousand Torah Codes, published and independently verified, identify him as Christ by name and title, some at odds, it says, of well over a trillion to one. *Ch. 2; Part III*

6 THE KING

The book records that he first addressed the world on May 21st, 2011, and that on Purim, March 20th, 2019, the Prophet Elijah anointed Lord RayEl as King. *Ch. 6*

> *"My wrath is great, but my love – oh my love is far greater. Choose wisely."*
>
> — Lord RayEl · May 21st, 2011 · *Christ Has Returned*, Ch. 6

YOUR QUESTIONS, ANSWERED

WHY A NEW NAME?

Yeshua promised it: *"The one who overcomes I will make a pillar in the temple of My God, and he will never go out of it again. I will write on him the name of My God and the name of the city of My God, the new Yerushlem, which comes down out of heaven from My God, and My own new name"* (Revelation 3:12, The Prime Bible). *Ch. 7*

WHAT DID THE WORLD SEE?

According to the book, the Holy Spirit descended east of the Damascus Gate, over the white minaret on the Temple Mount, with a flash like lightning, and traveled west to join with the Son of Man, RayEl. *Ch. 3*

WHY NOW?

As the first page of this issue sets out, the book presents this as the Great Jubilee of 2026–2027, forty Jubilees after Yeshua read the scroll at Nazareth. "Return to the Father, through the Son He has sent back to you." *Ch. 1*

WHY HAVE I NOT HEARD?

A claim this large will not reach everyone at once. *Christ Has Returned* discusses how institutions have responded, and invites you to examine the evidence for yourself rather than wait for official recognition. *Ch. 6*

WHO IS THE EOC?

"The EOC is the restored priesthood and the herald of the world's final religion." (EOC declaration, May 21st, 2025) *Ch. 6*

HOW CAN I BE SURE?

Yeshua said, *"I say to you that He will give them justice speedily. Yet when the Son of Man comes, will He find faith on the earth?"* (Luke 18:8, The Prime Bible). The book sets out the Scriptures, the witness videos and the codes so that you can test them yourself. *Ch. 2, 3, 12*

WHAT HE ASKS OF US

"So simple were my two commandments; Love our Father, love each other."

"Come to me if you seek genuine forgiveness. If your heart is heavy with guilt, with true repentance and not simply fear, come to me."

— Lord RayEl, May 21st, 2011 · *Christ Has Returned*, Ch. 6

Coming next week: each issue will bring you the major religious and spiritual news and world events, seen in the light of His return.

THE ECUMENICAL ORDER OF CHRIST

Weekly Newsletter: November 22nd–28th, 2026

In a shaking world, we still give thanks.

Gratitude is the posture that turns ordinary gifts into reminders of the Giver. This season invites us to pause, name what we have received—food, shelter, the presence of others—and acknowledge the Source who provides it. Across our traditions we are taught that a thankful heart is not merely polite; it is the beginning of faithfulness. May we carry that recognition into every table and every ordinary day.

"And you shall eat and be satisfied, and bless YaHoVaH your God for the good land which He has given you."

—Deuteronomy 8:10 (The Prime Bible)

GIVING THANKS IN THE TRUE WAY

As Thanksgiving approaches, many tables will be full, but few hearts will turn to the One who filled them. *Christ Has Returned* reminds us that Lord RayEl does not object to celebrating a day, "if it is done in the true way it was meant to be done: to celebrate HIM." What he minds is a celebration that happens "instead of giving thanks to Christ for all he has done for us" (*Christ Has Returned*, Ch. 16). This Thanksgiving, let the gratitude be real, and let it be directed to Him.

Gratitude is easy when the harvest is full and hard when it isn't. Job showed us the faithful way: "YaHoVaH gave, and YaHoVaH has taken away; blessed be the name of YaHoVaH." (Job 1:21, The Prime Bible; quoted in *Christ Has Returned*, Ch. 9). We give thanks in plenty and in loss, because God is worthy in both.

The Lord has also warned us what happens when gratitude is forgotten: "like spoiled children, you only appreciate what you've been given when it is taken away from you" (*Christ Has Returned*, Appendix A). Don't wait for loss to teach you thankfulness. Look at what you have today, your family, your daily bread, and your faith, and give thanks for it now.

The faithful of old sang the Hallel, Psalms 113–118, "preeminently psalms of praise," at their great feasts, and the book notes that Yeshua and his disciples sang praises at the Last Supper (Ch. 15; Matthew 26:30). Before your Thanksgiving meal, consider reading Psalm 118 together as a family:

"O give thanks to YaHoVaH, for He is good, for His mercy endures forever."

—Psalm 118:1 (The Prime Bible)

May your table be full, and may your heart be fuller still.
